Subject: Tentative Approval to Commence Large Mining Operations, Pabco Building Products, LLC,
Black Shale and Rose Mine, M/049/0084, Utah County, Utah

Dear Mr. Hewett:

The Division of Oil, Gas and Mining tentatively approves the referenced Notice of Intention to Commence Large Mining Operations (Notice), received June 4, 2013. This approval will be published in the appropriate Salt Lake City and Utah County newspapers (copy attached). This will begin a 30-day public comment period. The Division will also notify the Resource Development Coordinating Committee (RDCC). If no substantive comments are received during the public comment period, the Division will then issue its final approval for this project. Changes to the Notice may be needed if substantive comments are received.

Prior to issuing final approval, we require that you provide us with:

1. Two copies of the complete and corrected plan. When final approval is issued, both copies will be stamped approved and one will be returned to you;
2. A Reclamation Contract (Form MR-RC) and reclamation surety in the amount of \$182,000 (as per the reclamation cost estimate provided in the Notice). Please contact Penny Berry at 801-538-5291 or by e mail at pennyberry@utah.gov to obtain the appropriate bond and reclamation contract forms.
3. If available, an electronic copy of the mine disturbed area in the original AutoCAD, shape, or other file format. Please include the projection and datum information with this file. Contact danielsmith@utah.gov, (801)538-5292 for further information or questions.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact April Abate at 538-5214 or me at 801-538-5261.

Sincerely,

Paul B. Baker
